Our parent company Koç Holding A.Ş. has initiated a project regarding its Tat Gıda shares to explore strategic alternatives including their sale and a mandate has been provided in order to get financial consulting services. Although preliminary studies have been initiated, no binding decision has been taken at this stage. In accordance with the notification made by Koç Holding pursuant to Article 6 of the Communiqué on Material Events Disclosure, in order not to adversely affect the process and to protect the legitimate interests of our Company and our listed shareholder Koç Holding, the announcement regarding the mandate has been postponed. This statement is made as the confidentiality of this information can not be ensured anymore. Material developments in this process will be shared with our investors in due course.
