Explanations	

It has been decided to invest EUR 10 million in total in the sauce and ready meal categories, which also support year-round continuous production, until the first half of 2025 with the growth of consumer demand at home and abroad in line with our company's strategic goals.

The investments in question are for the machinery used in the sauce and ready meal categories, and it is aimed to increase the total pet bottle (sauce) production capacity and ready meal production capacity from 75 million units/year to 120 million units/year and 180 thousand units/day to 230 thousand units/day respectively with the investments to be made in this context.

Material developments on the subject will be shared with our investors.
