<b>Explanations</b>	

Pursuant to our material event disclosures dated 18.04.2024 in the sauce and ready-to-eat food categories regarding the investment program which will cost of approximately EUR 10 million, for the additional 40 million units/year capacity increase plan in the sauce category, our production capacity of plastic bottled sauces (ketchup/mayonnaise and other flavoring sauce categories), which is currently 70 million units/year, was increased by 10 million units/year to 85 million units/year. The cost of investment expenditures for machinery and equipment, construction, infrastructure, and storage areas amounted to EUR 2,6 million.

Investment Incentive Certificate has already been obtained for the investment expenditures made by our Company.

Developments regarding the Capacity Expansion Program will be shared with the public.
