<b>Explanations</b>	

Our company currently sells its products domestically through its own sales team in discount stores and Horeca (hotel, restaurant, café) channels, and through distributors in traditional channels and supermarkets.

As part of our customer diversification and growth strategy, efforts are ongoing to establish new partnerships to enable direct sales in the supermarket channel and to expand the domestic dealer/distributor structure in the traditional channel.

This is brought to the attention of the public and our investors.

This statement has been translated into English for informational purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
