As part of the Koç Group Compliance Project led by Koç Holding A.Ş. since 2018; our Company's Board of Directors have evaluated the current compliance activities and related risks and examined local and international legislation and good practices on a global scale in order to better respond to the expectations of local and international stakeholders in the field of compliance.

In this context, it has been decided to implement a new compliance program under Tat Gıda Sanayi A.Ş. and to update the existing "Tat Gıda Code of Ethics and Business Conduct Principles" as "Tat Gıda Code of Ethics" and to accept the relevant policies listed below.

1- Compliance Policy
2- AntiBribery and Corruption Policy
3- Gifts and Entertainment Policy
4- Human Rights Policy
5- Supply Chain Compliance Policy
6- Social Investment Policy
7- Sanctions and Export Controls Policy
8- Competition Law Compliance Policy
9- Personal Data Protection Policy
10- Discipline Policy
11- Whistleblowing Policy
